Why Choose Us

We are not resellers. We are direct manufacturers with control over every stage of production. This ensures competitive pricing, faster timelines, and a consistent standard of quality.

Traditional Retail

Manufacturer > Wholesaler > Distributor > Retailer > Consumer

Direct-to-Consumer Retail (Edendek Method)

Manufacturer > Advertising / Website > Consumer

Faster Delivery

Our streamlined supply chain ensures products reach you quickly and safely.

Affordable Prices

By cutting out middlemen, we keep costs lower without compromising quality.

Quality Assurance

Every product is checked and verified before it reaches your doorstep.

Trusted Service

We have a strong track record of reliability and customer satisfaction.

Customer First

Your feedback drives us — we tailor our services to match your needs.

Client Testimonials

“ I like all the chairs specially Gavin is lovely. Very happy with services and coordination is super. Thank you so much for prompt delivery 🙏🌸 Keep it up good work👍

— Sujata Naik, Homestyling

“ Edendek has been a great furniture partner for us since the beginning of our journey at 91Springboard. They have also managed to scale their capacity well in line with our rapid expansion. They have been able to match our product needs and have always delivered on time.

— Pranay Gupta, Co-Founder, 91Springboard

“ For our work furniture requirements, we have many vendors on-board. Edendek is a furniture partner with the best track record of quality and service, and the lowest complaint rate compared to others.

— Anirudh Sundareswar, Director & Head of Sourcing, BNY Mellon

“ We really like the quality and finish provided by Edendek in their teak wood and upholstered furniture. I hope they open a showroom in Bangalore soon, for us to take our clients there.

— Sunitha Kondur, Partner, HundredHands

“ Edendek is a great furniture partner for architects and interior designers. It was easy to communicate and discuss designs with them. Their products and service is awesome.

— Shraddhanjali Chowdhury, Architect, Balan and Nambisan Architects

“ Edendek team has a good design sense and are able to connect with the designer community quite well. What I like about them is that they also provide customised furniture for our projects, beyond what they have in their catalog.

— Kruti Parikh, Associate Design Director, FITCH
